THE UW BOTHELL ADVANTAGE

Access the resources of a large university in a more personalized setting.

PERSONALIZED EXPERIENCE

One-on-one learning, research opportunities and classes averaging 33 students.

SUCCESSFUL ALUMNI

The wages of UW Bothell undergraduate alumni are consistently the highest among public institutions in the state.

WELCOME, **FUTURE HUSKY!**

At UW Bothell, you'll find yourself among a highly motivated and diverse student population, exceptional faculty and supportive staff.

As one of three University of Washington campuses, UW Bothell is committed to experiential learning, strong student relationships with professors and staff, and a culture that values diversity and environmental sustainability.

Our academic approach further sets us apart by focusing on three key areas:

1. Connected learning

An education shaped by experience: hands-on classes, faculty research and collaborative projects that impact our community.

2. Relationships and partnerships

Build your network:

- Amazon
- Fred Hutch Cancer Center
- Alaska Airlines
- and so many more!

3. Cross-disciplinary learning

Combine insights from multiple disciplines, explore different majors and team up with diverse groups to tackle real-world challenges.
